

# SOCIAL MEDIA CONTRACT FOR KIDS

1. I am responsible for what I say and do online
2. My usernames and passwords are private and I will not share them with others.
3. I will be open and honest with my parents about what I do online, and who I interact with.
4. I will follow the rules my parents, teachers and school set for my online activities.
5. I will not share personal information about myself, my family and friends online.
6. I understand that everything I write or post can go public, even if I send it to a closed group or specific person.
7. I understand that people can create fake identities online and I shouldn't trust everyone I interact with.
8. If I see something which I think may be harmful, dangerous or suspicious, I will inform my parents and not get involved.
9. I will not engage in cyber-bullying, trolling or harassing other people online.
10. I will support friends who are being mistreated, bullied or harassed.
11. I will not meet people I get to know online without my parents consent, and will only do so if I am accompanied by an adult

I, \_\_\_\_\_ agree to the above.
